

To the Members of The Club at ArrowCreek:

First, thank you all for being members and making The Club at ArrowCreek the wonderful social and golf club it is; the most vibrant Club in Northern Nevada. We continue to grow because you continue to bring in your friends as new members. That is what will keep us sustainable.

We are pleased to report that each year we have improved our performance. After just three years we are on our way to profitably. Additionally, after 20 years of assessment, the final semi annual Special Assessment District (SAD) payment of \$127,000 has been paid to Washoe County.

We continue to cooperate with the ArrowCreek Home Owners Association in all areas to make this one community. We have cooperative efforts in Singles and Pickle Ball clubs. The whole community is invited to special holiday events such as the Easter Egg Hunt at the Club and the community pool party and picnic at the Residence Center.

The ACHOA uses our facility for their Christmas party, special Board and other meetings. Additional areas of cooperation include Fire Fuels Management and the CC&R update along with many behind the scenes cooperative efforts in maintenance and the storage of the snowplow equipment. In short we have a very good working relationship.

The FOA has been participating for three years on the update of the CC&R's and the new document will be coming to a vote of the ArrowCreek community. We urge you to support and vote in favor of the new CC&R update.

This coming Tuesday 9/26/17 the ACHOA Board Meeting will be held at 6:00 PM at The Club at ArrowCreek. There are many issues on the agenda. The CC&R's, the 2018 Budget, the possible Residence Center expansion along with the possibility of additional

HOA debt and the associated increases in HOA fees needed to service this new debt. The upcoming elections for the Board will be an agenda item as well.

All of us should be attending the board meetings and getting the facts on these important issues that will impact our community. Please get involved!

Thanks again for being members and keeping your Club the place to socialize in Northern Nevada.

The Member Managers of the Friends of ArrowCreek,

Tom Gurnee, Gene Humphrey, Gary Pestello, Joe Petite& Mark Wimbush
